SUBJECT: **CHANGE IN BASEBALL AGE CUTOFF**

To conform to the National Policy of Baseball Organization, May 1st will be the determining date for our baseball players – a change from December 31st. A baseball player's age on May 1st will determine the age classification in which he/she must participate i.e. a baseball player is 13 years old on May 1st, he/she must play in the 13 & under age league.

The National Amateur Baseball Federation, the Babe Ruth Leagues, the American Amateur Baseball Association and other baseball groups have adopted the date of May 1st this year.

Please share this information with your fellow officers and baseball coaches.

I am looking forward to seeing the Baseball Commissioners at our Rules Change Meeting for Baseball Commissioners on Wednesday, March 1, 2006, 7:00 PM at the Prince George's Sports and Learning Complex.
